CDE REPORT

Continuing Dental Education program was conducted based on theme of 'Tips and Tricks to simplify Endodontics' at college of dental sciences and research center, Bopal (Ahmedabad) on 5th july, 2022. This program was organized by the Department of Conservative Dentistry and Endodontics.

Google forms for free registration were generated before 10 days of the program. Attendees of this program were interns, MDS students and professors of this college.

For making this event aesthetically pleasing , the entrance of the college was decorated with rangoli and flowers. The wall outside the hall was decorated with various charts prepared by interns based on-

- Myths and facts of root canal treatment
- Gliding path
- Funny cartoons showing root canal treatment procedure

Main aim of this program was to provide basic knowledge of diagnosis, Root Canal Treatment and to update the clinical understanding of dental graduates and practitioners.

The program was inaugurated through lightening lamps and Ganesh Vandana.

Speaker of the program was Dr. Yogesh Trivedi, the well reknown Endodontic surgeon having clinical practice experience of around 35 years hailing from Ahmedabad. He was honored with memento and appreciation certificate through our Head Of the Department.

The duration of the lecture was around 3 hours and it was divided into 2 parts with tea-break in between. The lecture was informative, interactive and humorous. Then, the uplifting ending of the program happened with question answer session, vote of thanks to speaker and concluding speech.

We got great positive response via generated feedback forms and all attendees would be felicitated with 3 CDE points.

REPORT OF ACADEMIC EVENT ORGANIZED In DECEMBER 2022

Title of the Event:	CDE on “Digital Forensic Dentistry” in Oral and Maxillofacial Pathology
Organizing Department/Institute:	Department of Oral and Maxillofacial Pathology, College of Dental Sciences and Research center
Organizing Secretary:	Dr. Binita Gandhi
Type of Event:	Institute Level CDE
Level of Event:	(√) Institute ()University ()State ()National ()International
Dates:	13/12/2022 Duration: 01 Day
Venue:	Lecture hall-1
No. of participants:	192
Accreditation if any:	GUJARAT STATE DENTAL COUNCIL (GSDC/46/20005/2022) accredited for 2 CDE points for CDE Programme on 13/12/22
Brief report of proceeding/sessions:	Dr. Jinal Chavda delivered the welcome speech and then introduced the guest speaker Dr. Abraham Johnson, Assistant Professor at School of Medico Legal Studies, NFSU. He was then felicitated with floral bouquet by Dr. Binita Gandhi. The event was started by lightning of lamps and prayer. The deliberation was inclusive of various aspects of forensic dentistry dealing with proper handling, examination and evaluation of dental records and advancements of digital technologies in forensic dentistry. It was a beautiful learning experience for the post graduate students, interns and teaching staff who attended the program. It ended with a closing speech and a vote of thanks given by Dr. Jinal Chavda and which was at the end summed up by Dr. Binita Gandhi who also gave away the token of appreciation in terms of certificate and memento to guest speaker.
Feedback analysis in brief:	On analysis of the feedback forms, 80% of the feedback stated that the scientific program was useful.
