CDE REPORT

Continuing Dental Education program was conducted based on theme of 'Tips and Tricks to simplify Endodontics' at college of dental sciences and research center, Bopal (Ahmedabad) on 5th july, 2022. This program was organized by the Department of Conservative Dentistry and Endodontics.

Google forms for free registration were generated before 10 days of the program. Attendees of this program were interns, MDS students and professors of this college.

For making this event aesthetically pleasing , the entrance of the college was decorated with rangoli and flowers. The wall outside the hall was decorated with various charts prepared by interns based on-

- Myths and facts of root canal treatment
- Gliding path
- Funny cartoons showing root canal treatment procedure

Main aim of this program was to provide basic knowledge of diagnosis, Root Canal Treatment and to update the clinical understanding of dental graduates and practitioners.

The program was inaugurated through lightening lamps and Ganesh Vandana.

Speaker of the program was Dr. Yogesh Trivedi, the well reknown Endodontic surgeon having clinical practice experience of around 35 years hailing from Ahmedabad. He was honored with memento and appreciation certificate through our Head Of the Department.

The duration of the lecture was around 3 hours and it was divided into 2 parts with tea-break in between. The lecture was informative, interactive and humorous. Then, the uplifting ending of the program happened with question answer session, vote of thanks to speaker and concluding speech.

We got great positive response via generated feedback forms and all attendees would be felicitated with 3 CDE points.

Organizing Department/Institute:	Department of Pediatrics and Preventive Dentistry, College of Dental Sciences and Research center
Organizing Secretary:	Dr. Anup Panda
Type of Event:	Institute level CDE
Level of Event:	(√) Institute ()University ()State ()National ()International
Date and Time:	17/11/2022 Time: 11:00 AM – 1:00 PM
Venue:	Lecture hall 1
No. of participants:	126
Accreditation if any:	GUJARAT STATE DENTAL COUNCIL accredited 2 CDE points for CDE Program only
Brief report of proceeding/sessions:	Dr Deval Mehta (Dean) and Dr Shruti Mehta (Vice Dean) were welcomed by Dr Deepika Chari. Dr. Deepika Chari delivered the welcome speech and then invited the guest speaker Mrs Dia Jadwani. She was then felicitated with floral bouquet by Dr. Deval Mehta followed by lighting of Diya. The event was kick started by motivating words of Dr. Anup Panda. The deliberation was inclusive of Physiological and Psychological aspects of Breastfeeding, Myths regarding the same and Role of Pediatric Dentist. It was a beautiful learning experience for the post graduate students, interns and teaching staff who attended the program. It ended with an interactive question and answer session with the speaker, followed by closing speech by Dr. Krishna Dere and a vote of thanks given by Dr. Deepika Chari and which was at the end summed up by Dr. Anup Panda. Dr Deval Mehta and Dr Anup Panda gave away the token of appreciation in terms of certificate and memento to guest speaker. The programme ended with the prize distribution ceremony of Slogan Competition and Drawing Competition which were the part of the Children's week. Dr Deval Mehta awarded Krupali Pancha (3 rd year student) and Vishakha Lavaniya (Intern) for Drawing competition. Dr Harshvardhan Chaudhary gave the first prize to Leeza Darbar and Mahi Darji (Final year students) for the best Slogan.
Feedback analysis in brief:	On analysis of Feedback forms, 71.4% of the feedback rated the programme excellent and 100% of the feedback rated the Programme was relevant and useful.
