### 5.3.2 Presence of a Student Council, its activities related to student welfare and student representation in academic & administrative bodies/ committees of the Institution

Our Institution aims to inspire and motivate the budding aspirants to reach the unreached for the betterment of the community by forming a student council. This kindles within our students a sense of purpose, dedication and responsibility to put their selfless efforts and work towards the goal. Students are given as many opportunities as possible to practically implement what they learn and aspire to be through the Council. One such opportunity is the management of all student-related activities on the campus. The council is utilized to put forward and inculcate novel and innovative ideas of the young generation in various aspects of our college like teaching, research, sports and cultural activities. Thus in this way the students are given equal rights for the smooth functioning of the college.

Student Council has representatives from all levels of students in the college so that all facets are acknowledged and looked into. It is collectively responsible for activities like hostel management, academic concerns of students, organizing the cultural and sports activities on campus and many more. The Student council mainly helps share student's ideas, interests and concerns with teachers and principals. It serves to encourage the student in learning about leadership. The Council has been restructured throughout the time to handle new demands. Student forum is very active in protecting the student welfare including academic and administrative activities such as:-

- Celebration of various days, scheduled during the year .
- Dental camps and awareness programs.
- Sports and cultural events.
