Fees

International Student Fee:

The International Student Fee is \$1,300 which covers administrative expenses related to processing your I-20.

Certificate Fee:

Every student is required to pay the \$200 certificate fee. This is a one-time fee for each certificate program in which you enroll.

Program Fee:

Fall 2021 quarter program fees (\$4,700) are due by June 30, 2021. Subsequent Program Fees are due four weeks prior to the start of every quarter and are non-refundable.

All fees must be paid in US dollars in the form of a check drawn from a US-affiliated bank, cashier's check, or money order made payable to "UC Regents" or by credit card to UCLA Extension.

Health Insurance

As medical insurance is not provided, and trainees cannot be seen at the on-campus student health facility, all trainees must be enrolled in adequate insurance plan. Details are provided in this acceptance package.

Health Clearance

The School of Dentistry also requires that you obtain a health clearance prior to enrollment in the program for individual and community health reasons. The health clearance must include a complete physical examination and demonstration of immunity to certain communicable diseases. Annual monitoring for tuberculosis will also be necessary. Details regarding this are included in this acceptance package.

Loan Certification

The School of Dentistry Certificate Programs offered through UCLA Extension are not eligible for Title IV federal financial aid. However, you may apply for Private Alternative Education Loans. Additional information regarding the use of Private Alternative Loans at UCLA Extension can be found at <http://www.uclaextension.edu/str/private-education-loans.aspx>, under "Private Alternative Loans". The loan checks will be disbursed in quarterly installments even if you are required to pay half or your full tuition to your program per the terms of this acceptance letter. This means that you will be responsible for paying your tuition before receiving your financial aid disbursements. Also, non-U.S. citizens or permanent residents will likely need a co-signer who is a U.S. citizen or permanent resident. In order for UCLA Extension Financial Aid Office to assist you, please refer questions to the Postgraduate Programs Officer at jvaca@dentistry.ucla.edu and at 310-825-7478 for now in the School of Dentistry for the authorization form and details regarding the administration fee of \$200 per quarter for this service.

Live Scan

To protect UCLA patients, staff and fellow students, criminal background checks are required for all trainees. More information regarding how to complete this process will be provided to you prior to your program's start date.

Housing & Discussion Forum

If you are looking for a place to stay for a few days while looking for an apartment, you can try the Hilgard House Hotel (www.hilgardhouse.com). For a small fee, you can use the UCLA Community Housing Office (www.cho.ucla.edu) to assist you in locating an apartment. Unfortunately, UCLA Campus Housing is not available to Dentistry trainees.

A housing discussion forum has been set up where you can converse other accepted and enrolled ACT and Preceptor students regarding housing and other issues. Please follow these instructions to log on:

- 1) Click here to create your UCLA logon: <https://logon.ucla.edu/activate.php> Then check box "I do not have a UCLA Identification Number and I am NONE OF THE ABOVE." Complete the process by entering the required information.
- 2) Type or paste the website in a browser: <https://ccle.ucla.edu/course/view/Preceptor-IPTP%20Courses>
- 3) Enter the enrollment key "dentistry" and click "enroll me in this course".

Also, you can download the program manual that lists our school policies on this website

Mandatory Orientation

A mandatory orientation program will be scheduled for incoming trainees in the first week of the quarter. At that time, we will welcome you to the school, review school policies, and provide you with Infectious Control Training, Environmental Health and Safety Training, and CPR training. Details about the orientation will be sent to you closer to the start date of your program.

We look forward to meeting you and, again, congratulations on your acceptance to the UCLA School of Dentistry!

Sincerely,
