

College of Dental Sciences & Research Centre

Maa Kamla Charitable Trust

Establishment of Dental Education Department by the College for the range and quality of Faculty Development Programs in emerging trends in Dental Educational Technology organized by it.

The DEU plays a vital role in the successful functioning of our institution. The committee was established to develop a single point contact between the institution, administration, teaching faculty, departments and the students. Its primary focus is the upliftment of the academic, practical, and clinical performance of the students of the institution. It helps the students by giving information in terms of academic related queries, guidance at times of difficulty, enabling smooth functioning of the departments

Objectives for creating dental education department:

1. To enhance skills of faculty in sync with the contemporary times
2. Promote evidence based learning
3. Uplift the standards of clinical dentistry
