Subject- Circular for Orientation Program

Dear Parents,

Greetings and a warm welcome to the New Academic Year! To familiarize the parents about the Departments, System and the Faculty, an Orientation program has been scheduled. Please note that there will be two different orientations for parents i.e., General Orientation & Class Orientation. The presence of at least one parent is important for this orientation.

1. General Orientation is the platform for parents to get oriented about the College policies processes and new programs introduced at the College level.
2. Class Orientation is the forum where the faculty and the parents are able to meet each other.

The Faculty orients the parents about the departments, system, the expectations from students, assessment pattern, etc. During the Class Orientation the Class Parent Volunteers are selected who then in coordination with the Faculty supports the teaching learning process and partners in enriching the process. They also act as a link between the parent community and the college.

Venue: Auditorium Class.

Subject- Circular for Orientation Program

Dear Parents,

Greetings and a warm welcome to the New Academic Year! To familiarize the parents about the Departments, System and the Faculty, an Orientation program has been scheduled. Please note that there will be two different orientations for parents i.e., General Orientation & Class Orientation. The presence of at least one parent is important for this orientation.

1. General Orientation is the platform for parents to get oriented about the College policies processes and new programs introduced at the College level.
2. Class Orientation is the forum where the faculty and the parents are able to meet each other.

The Faculty orients the parents about the departments, system, the expectations from students, assessment pattern, etc. During the Class Orientation the Class Parent Volunteers are selected who then in coordination with the Faculty supports the teaching learning process and partners in enriching the process. They also act as a link between the parent community and the college.

Venue: Auditorium Class.

Date: 19/8/19

Time: 10:00 AM
